This is natural as so many of the people of Oklahoma are from Kansas. A rousing Republican rally was held in representative hall at Guthrie last night. Governor Steele made a strong speech. He spoke as a businees man would speak. He said we need 10,000 favors at the hands of the administration and must have 1,000. His short speech had its effect with many who were rather on the fence. Oklahoma, as a whole, is looking finely. The late few rains have insured an abundance of grass and the wheat is in excellent condition. GUTHRIE, Ok., Nov. 4.—The Indians east of this city are greatly concerned over the report which has reached them that a second Messiah has appeard in the northwest, and that he is an Indian. No trouble is feared, as there are but a few hundred Indians who are so ignorant as to believe the stories. Some of the whites on the border are a little worried, but the presence of the military causes a feeling of assentity.
